MTL INCORPORATED

Intrinsic Safety - I.S. Barriers and Isolators * I.S. Displays * I.S. I/O * I.S. Solenoid Valves * Associated I.S. Products
Surge Protection - From dc to 600 Vac * Field Transmitters * Video Cameras * Fieldbus Circuits * Communication Circuits

Multi Purpose * Applications * Sensors To Power Grid And All In Between

F. Fieldbus/AS-i /Profibus - Power Supplies * Power Conditioners * Termination Blocks * Diagnostic Tools * Signal Terminators

HART - HART Signal Multiplexers * SIL Rated Systems * Up To 7936 HART Devices

SIL Rated Devices - Special Rating for Devices Used In Emergency Shutdown Systems

MOST - MTL Open System Technology * Remote I/O Monitoring And Control

www.analyticaltechnology.com

Toxic and Combustible Gas Monitors

- * Electro-Chemical, IR and Catalytic Bead Sensors
- * Two Wire Transmitters to Complete Alarm Systems
- * Fixed and Portable Systems, Single and Multipoint
- * HART and MODBUS Available on Some Models
- * Unique AUTO-TEST (Self-Test) Option
- * Wet Stack and Duct Mount Sensors

Water Quality Monitors

- * Dissolved Oxygen, Unique Auto-Clean Option
- * Residual Chlorine, Free, Combined, Total
- * Dissolved Oxidants; Dissolved Ozone and CL02
- * pH, ORP, Conductivity
- * Residual Sulfite/Sulfide
- * Turbidity, Particle Counting

www.auptag.com

Portable gas generators for calibration and "bump" testing of toxic gas dectectors.

www.expoworldwide.com

Complete line of purging (pressurization) systems, including X, Y, and Z approved systems.

www.manning-enviro.com

Portable and stationary (refrigerated) fluid samplers for composite or discrete sampling of non-toxic or toxic liquids.

www.ltindustries.com

High quality Near Infrared analyzers for laboratory, at-line and on-line applications.

www.m-system.com

Extensive range of signal conditioners, isolators, limit alarms, power transducers, computation modules, and lightning arrestors.

www.sigmacontrols.com

Water, waste water and environmental process control. Packaged solutions for measuremnt control of pressure, level and flow applications .

www.nsicontrol.com

Comprehensive line of PID and Fuzzy Logic controllers, recorders, ultrasonic flowmeters, panel meters, timers, SSR;s and auxillary products. Self-Tuning Temperture-Process Controller With Improved, Larger LED Display

www.daisydata.com

FM approved flat panel monitors/PC systems for industrial environments: DIV1/NEMA4X to NEMA12.

LITERATURE REQUEST FORM

Please fill out the form below and fax it to our office. We thank you for taking the time to consider NSI, Neal Systems Incorporated for your instrumentation requirements.

Name _____ Title _____

Company _____

Address _____

City _____ State _____ Zip _____
